Ticket office transfer and new pedestrian passageway opening

From Tuesday September the 30th Trenitalia ticket office will be moved into new internal passageway connecting Piazza Luigi di Savoia and Piazza IV Novembre.

It will be possible to reach new internal passageway from east Hall of Galleria delle Carrozze, Piazza Luigi di Savoia and Piazza IV Novembre entrances and, from platform level, by new moving pavements.

Main hall moving escalators are temporarily closed. To facilitate luggage transport to platform level, we advise to use passengers conveyors in new pedestrian passageway.

Apologizing for any inconvenience,
we ask you to follow station sign system.
